A Great Problem.

—Take all the Kidney and Liver Medicines, —Take all the Blood purifiers, —Take all the Rheumatic remedies, —Take all the Dyspepsia and indigestion cures, —Take all the Ague, Fever and bilious specifics, —Take all the Brain and Nerve force restorers, —Tall all the Great health restorers, —In short, take all the best qualities of all these, and the best of all the best medicines in the world, and you will find that —Hop Bitters have the best curative qualities and powers of all —concentrated —In them, and that they will cure when any or all of these, singly or —combined —Fail. A thorough trial will give positive proof of this.

Five years ago I broke down with kidney and liver complaint and rheumatism. Since then I have been unable to be about at all. My liver became hard like wood; my limbs were puffed up and filled with water.

All the best physicians agreed that nothing could cure me. I resolved to try Hop Bitters; I have used seven bottles; the hardness has all gone from my liver, the swelling from my limbs, and it has worked a miracle in my case; otherwise I would have been now in my grave. J. W. MOREY, Buffalo, Oct. 1, 1881.

Poverty and Suffering.

"I was dragged down with debt, poverty and suffering for years, caused by a sick family and large bills for doctoring. I was completely discouraged, until one year ago, by the advice of my pastor, I commenced using Hop Bitters, and in one month we were all well, and none of us have seen a sick day since, and I want to say to all poor men, you can keep your families well a year with Hop Bitters for less than one doctor's visit will cost. I know it."—A WORKINGMAN.

None genuine without a bunch of green Hop on the white label, signed at the vile, poisonous stuff with "Hop" or "Hops" in their name.

Human Blood. On the purity and vitality of the blood depend the vigor and health of the whole system. Disease of various kinds is often only the sign that nature is trying to remove the disturbing cause. A remedy that gives life and vigor to the blood, eradicates scrofula and all impurities from it, as Hood's Sarsaparilla undoubtedly does, must be the means of preventing many diseases that would occur without its use. Sold by dealers.
