UTICA MORNING HERALD
AND
UTICA WEEKLY HERALD.
ENLARGED, IMPROVED
AND
GREATLY INCREASED FACILITIES.

The Utica Morning Herald has been enlarged to

EIGHT PAGES,

after the manner of the Metropolitan Dailies.
The UTICA WEEKLY HERALD has also been en-
larged to

TEX. PAGES OF SIXTY COLUMNS.

Both editions are now printed from a
WEB PERFECTING STEREOTYPE PRESS,

of the most modern pattern, which R. Hoe & Co.,
New York, have made for us. With this press
the UTICA HERALD is printed, the entire eight
pages at once, from an endless roll of paper,
at the rate of 10,000 to 12,000 copies per hour,
cut, folded and pasted ready for delivery, thus
enabling the paper to be sent by the earliest mails
in every direction, with

ALL THE NEWS OF THE WORLD

up to the hour of publication. Heretofore our fa-
cilities have not been such as to enable us to reach
distant points with our last edition, and we have
been forced to be late in delivery to city
subscribers. Hereafter there will be practically no
limit to the papers we can supply, and we pro-
pose to make the UTICA HERALD, in both its Daily
and Weekly editions, the Largest, the Newest, the
most Readable, in every way the Best Newspaper
ever published for the

MILLION PEOPLE

of the Thirteen Great Counties of Central and
Northern New York.

The UTICA HERALD has a large circulation in
each of the counties of Central and Northern New
York, which at the recent election gave the follow-
ing republican majorities
